Capital City Bank Named Among “Best Places to Work”

MACON, Ga., July 1, 2016— *Georgia Trend* has listed [Capital City Bank](#) among its 2016 “Best Places to Work in Georgia.” Out of 17 small, medium and large companies from all over the state, Capital City Bank ranked #7 in the 2016 edition. This year marks the first year the 121-year old financial institution has appeared on the list.

“Our associates are our most valuable resource. They are the foundation of what we do,” said Bill Smith, Capital City Bank Group chairman, president and CEO. “At Capital City Bank, we aspire to be more than a bank to our clients and emphasize creating positive, memorable and exceptional service experiences. Our associates make it possible to live up to this promise. I’m proud of our team of bankers and honored that Capital City Bank has been recognized in this way.”

The annual “Best Places To Work” list was created in 2005 by *Georgia Trend* and Best Companies Group to recognize the state’s best employers. Participating companies underwent an exhaustive evaluation of their workplace policies, practices, philosophy, systems and demographics. The process also included a survey to measure employee satisfaction. The combined scores determined the top companies and the final ranking.

In order to be considered for the “Best Companies” list, the firm must be a publicly or privately held for-profit or not-for-profit business. The entity must have been in business a minimum of one year, have a facility in the state of Georgia and a minimum of 15 full or part-time employees in the state.
